2.3 The requirements for the admission of pupils to the Academy are set out at Annex 1.

ACADEMY OPENING DATE

2.4 The Academy shall open as a school on 1st September 2009 replacing Whitefield Fishponds Community School which shall cease to be maintained by the Local Authority on that date, which date shall be the conversion date within the meaning of the Academies Act 2010.

Years after the Academy Financial Year in which the Academy opens will be:

- a) for the pupil number count for pupils in Year 11 and below, the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question; and
- b) for the pupil number count for pupils in Year 12 and above, the formula which for the time being is in use for maintained schools for the calculation of pupil numbers for pupils in Year 12 and above for the purpose of calculating their level of funding.

4.3 Where either of the following conditions applies in respect of an Academy Financial Year (up to and including Academy Financial Year 2017/18), the basis of the pupil count will be the Company's most recent estimate, provided in accordance with clause 4.4. The conditions are:

- a) not all planned Year-groups will be present at the Academy (that is, not all the pupil cohorts relevant to the age-range of the Academy will have some pupils present); or
- b) the total number of pupils as measured in the Schools Census which is used to fund maintained schools for the financial year overlapping with the Academy Financial Year in question is less than 90% of the planned final size of the Academy, as specified in the Academy's Supplemental Agreement, and has not at any previous time been 90% or more of that number.

4.4 The Secretary of State shall in advance of each Academy Financial Year for the Academy, at such time or times as he shall determine, request that the Company provides an estimate of the number of pupils on roll in the following September for the Academy for the purposes of determining GAG for an Academy Financial Year. The Company shall provide the requested estimate (such estimate to be based on an objective

assessment of numbers) to the Secretary of State as soon as reasonably practicable.

4.5 For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 4.2, no adjustment will be made to the formula funding element in the following Academy Financial Year's formula funding element of GAG unless the Company demonstrates to the satisfaction of the Secretary of State that there has been a significant impact on balances. For any other element of GAG the Secretary of State may make adjustments to recognise a variation in pupil numbers from that used to calculate the element of grant in question; the basis of these will be set out in the annual letter of funding.

4.6 For any Academy Financial Year in which GAG for the Academy is calculated in accordance with clause 4.3, an adjustment which may be upwards or downwards, will be made to the following Academy Financial Year's formula funding element of GAG for that Academy to recognise any variation from the estimate greater than the following amounts:

- 2.5% of the estimate in Academy Financial Year 2013/14;
- 2% of the estimate in Academy Financial Year 2014/15;
- 1.5% of the estimate in Academy Financial Year 2015/16;
- 1% of the estimate in Academy Financial Year 2016/17; and
- 0.5% of the estimate in Academy Financial Year 2017/18.

The additional or clawed-back grant will be only that amount relevant to the number of pupils beyond the percentage variation specified for the Academy Financial Years stated in this clause.

4.7 In Academy Financial Year 2018/19, and any subsequent Academy Financial Year, GAG for the Academy will be calculated in accordance with clauses 4.2 and 4.5

4.8 In the event that the Secretary of State pays the LA any sums in connection with an Excluded Matter pursuant to the Principal Agreement

Multi Academy Model
Mainstream

the Secretary of State may, subject to clause 4.3 set off or abate an amount equal to such sums from any GAG payable to the Company in respect of the PFI Academy pursuant to this Agreement in the following financial year.

4.9 Before exercising its right of set off or abatement pursuant to clause 4.2 above, the Secretary of State shall:

- a) notify the Company that such sums have been paid by the Secretary of State to the LA;
- b) take into account (acting reasonably) any representation made by the Company providing reasons why the relevant Excluded Matters liabilities were not settled.
- c) take into account (acting reasonably) any representations made by the Company as to the nature of the Excluded Matters under consideration and whether they properly fall within the definition of Excluded Matters having regard to the costs that other academies may normally be expected to bear from GAG funding.

5. TERMINATION

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2016 or any subsequent anniversary of that date.

Termination Warning Notice

5.2 The Secretary of State shall be entitled to issue to the Company a written notice of his intention to terminate this Agreement ("Termination Warning Notice") where he considers that:

- a) the Academy is no longer meeting the requirements referred to in clause 12 of the Master Agreement (subject to clause 5.9 of this Agreement);
- b) the conditions and requirements set out in clauses 13-34B of the Master Agreement are no longer being met;

Multi Academy Model

- c) the standards of performance of pupils at the Academy are unacceptably low;
- d) there has been a serious breakdown in the way the Academy is managed or governed;
- e) the safety of pupils or staff is threatened (whether by breakdown of discipline or otherwise); or
- f) the Company is otherwise in material breach of the provisions of this Agreement or the Master Agreement.

5.3 A Termination Warning Notice issued by the Secretary of State in accordance with clause 5.2 shall specify:

- a) reasons for the Secretary of State's issue of the Termination Warning Notice;
- b) the remedial measures which the Secretary of State requires the Company to carry out, with associated deadlines, in order to rectify the defaults identified ("Specified Remedial Measures"); and
- c) the date by which the Company must respond to the Termination Warning Notice providing its representations with regard thereto or confirm that it accepts and agrees to undertake the Specified Remedial Measures.

5.4 The Secretary of State shall consider any response and representations from the Company which are received by the date specified in accordance with clause 5.3(c) and shall confirm whether he considers that:

- a) in the light of the Company's representations in response to the Termination Warning Notice, some or all of the Specified Remedial Measures are not required to be implemented (and if so which) and/or the Specified Remedial Measures are being or will be implemented within the specified timeframe; or
- b) subject to any further measures he reasonably requires ("Further

Multi Academy Model

Remedial Measures”) being implemented by a specified date or any evidence he requires being provided, the implementation of such measures has been or will be successfully completed within the specified timeframes; or

- b) he is not satisfied that the Company will rectify the defaults identified
- c) in the Termination Warning Notice within the specified timeframes.
(In such circumstances, the Secretary of State may notify the Company of his intention to terminate the Agreement on a specified date.)

5.5 The Secretary of State may by notice in writing terminate this Agreement with effect from a specified date in the event that:

- a) the Company has not, by the date specified in clause 5.3(c), responded to the Termination Warning Notice either confirming that it accepts and agrees to undertake the Specified Remedial Measures or providing its representations with regard to the Specified Remedial Measures; or
- b) the Company has not carried out the Specified Remedial Measures and/or Further Remedial Measures within the specified timeframes;

provided that having considered any representations made by the Academy Trust pursuant to clause 5.3(c), the Secretary of State remains satisfied that it is appropriate to terminate the Agreement.

Notice of Intention to Terminate

5.6 The Secretary of State may at any time give written notice of his intention to terminate this Agreement where the Chief Inspector gives notice to the Company in accordance with section 13(3) of the Education Act 2005 stating that in the Chief Inspector’s opinion –

- a) special measures are required to be taken in relation to the

Multi Academy Model
Mainstream

Academy; or

- b) the Academy requires significant improvement.

5.7 Any notice issued by the Secretary of State in accordance with clause 5.6 shall invite the Company to respond with any representations within a specified timeframe.

5.8 Where the Secretary of State has given notice of his intention to terminate this Agreement in accordance with clauses 5.6 and 5.7 and –

- a) he has not received any representations from the Company within the timeframe specified in clause 5.7; or
- b) having considered the representations made by the Company pursuant to clause 5.7, the Secretary of State remains satisfied that it is appropriate to terminate this Agreement

he may by notice in writing terminate this Agreement with effect from a specified date.

Termination with Immediate Effect

5.9 If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, he may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

Notice of Intention to Terminate by Company

5.10 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt

Multi Academy Model
Mainstream

of the Indicative Funding for the next following Academy Financial Year (the “**Critical Year**”) and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“**All Other Resources**”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.11 Any notice given by the Company under clause 5.10 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the 17 January preceding the Critical Year, within six weeks after the Secretary of State shall have done so. The notice must specify:

5.11.1 the grounds upon which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

5.11.2 the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

5.11.3 a detailed budget of income and expenditure for the Academy during the Critical Year (the “**Projected Budget**”).

Multi Academy Model
Mainstream

5.12 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

5.13 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “**Expert**”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “**Shortfall**”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.

5.14 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist’s fees shall be borne equally between the parties.

5.15 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary

Multi Academy Model
Mainstream

of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

6. PRINCIPAL AGREEMENT

6.1 Clauses 6.1-6.9 apply if the Company has made a request for EAG funding to cover any costs that it has incurred or reasonably considers are likely to be incurred as a result of meeting its obligations and/or discharging its liabilities under any School Agreement and the Secretary of State has not agreed pursuant to clause 82B of the Master Agreement to provide such EAG funding to the Company ("PFI EAG Refusal").

6.2 If upon being notified by the Secretary of State of a PFI EAG Refusal, the Company is of the opinion that, after taking into account the PFI EAG Refusal, it is likely that the ongoing costs of operating the Academy would cause the Company to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 (and for this reason only) then (provided it has complied with clause 60 of this Agreement) the Company may give notice of its intention to terminate this Agreement at the end of the then following school term ("Academy Trust Termination Notice").

6.3 Any Academy Trust Termination Notice shall be in writing and shall be served on the Secretary of State not later than 30 days after the Company has been notified of a PFI EAG Refusal. The notice must specify:

6.3.1 the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of operating the Academy are reduced

Multi Academy Model
Mainstream

sufficiently to enable it to meet its debts and the period of time within which such steps will be taken; and

6.3.2 the amount of any budgetary shortfall in the current Academy Financial Year; and

6.3.3 a revised detailed budget for the current Academy Financial Year.

6.4 After the provision of the Academy Trust Termination Notice, both Parties undertake to use their best endeavours to agree whether or not, on the basis of the items set out in paragraphs 6.3 a) to c) the Company would in the current Academy Financial Year be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986. Both Parties recognise that they will need to engage promptly and in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem promptly.

6.5 If the Secretary of State (acting reasonably) agrees with the Company that on the basis of the Academy Trust Termination Notice the costs of operating the Academy during the current Academy Financial Year would cause the Company to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986, then the Secretary of State may either:

- a) withdraw the PFI EAG Refusal and promptly pay to the Company the amount of requested EAG funding or such other sum as shall be appropriate in which case he may (but is not obliged to) appoint Additional Directors in accordance with the Articles of Association (subject to clauses 123 to 127 of the Master Agreement); or
- b) confirm by written notice his refusal to provide the further requested EAG in which case he may appoint Additional Directors in accordance with the Articles of Association (subject to clause 123 of the Master Agreement) and (if he elects so to do) give the Company 12 months' notice of his intention to terminate this Agreement.

Multi Academy Model
Mainstream

6.6 If the Secretary of State has not confirmed his intention to appoint Additional Directors in accordance with clause 6.5b) within 15 days of the Academy Trust Termination Notice being served (or such other date as may be agreed between the Parties), or withdrawn the PFI EAG Refusal in accordance with clause 6.5a), then the question as to whether the costs of operating the Academy during the current Academy Financial Year would cause the Company to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 (and this question only) shall be referred to an independent expert (the "Expert") for resolution. The Expert's determination shall be final and binding on both Parties. The Expert shall be requested to specify in his determination the amount of the budgetary shortfall during the current Academy Financial Year. The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the Parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales.

6.7 The Parties shall procure that the Expert (together with any educational specialist appointed pursuant to this clause) will act promptly in coming to his/its determination on the matters referred to him. The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the Parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust.

6.8 The Secretary of State shall bear the Expert's and the educational specialist's fees. The Company shall fully reimburse the Secretary of State for half of the Expert's and educational specialist's fees in the event that the Expert determines that the costs of operating the Academy during the current Academy Financial Year as a result of the PFI EAG Refusal would

Multi Academy Model
Mainstream

not cause the Company to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986.

6.9 If the Expert determines that the costs of operating the Academy during the current Academy Financial Year would cause the Company to be unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986, as a result of the PFI EAG Refusal, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the budgetary shortfall, then the Company shall be entitled by written notice given within 21 days (a) after the Expert's determination shall have been given to the Parties or (b), if later, after the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding under clause 6.5b), to request the Secretary of State to exercise his power to appoint Additional Directors in accordance with the Articles of Association (subject to clause 123 of the Master Agreement). The Secretary of State, on receiving this notice, may give the Company 12 months' notice of his intention to terminate this Agreement.

6.10 If the Secretary of State fails to appoint Additional Directors in accordance with clause 6.9 the Academy Trust Termination Notice shall take effect at the end of the next school term.

7 EFFECT OF TERMINATION

7.1 In the event of termination of this Agreement however occurring, the school shall cease to be an Academy within the meaning of Sections 1 and 1A of the Academies Act 2010.

7.2 Subject to clauses 6.3 and 6.4, if the Secretary of State terminates this Agreement pursuant to clause 5.1 of this Agreement, the Secretary of State shall indemnify the Company. If the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1 of this Agreement, the Secretary of State may in his absolute discretion indemnify or (to such extent if any as he may in his absolute discretion consider appropriate) compensate the Company.

Multi Academy Model
Mainstream

7.3 The amount of any such indemnity or compensation shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.

7.4 The categories of expenditure incurred by the Company in consequence of the termination of the Agreement in respect of which the Secretary of State shall (where the Secretary of State terminates this Agreement pursuant to clause 5.1) indemnify the Company and may (where the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1) in his absolute discretion indemnify or compensate the Company include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.

7.5 Subject to clause 7.6, on the termination of this Agreement however occurring, the Company shall in respect of any of its capital assets at the date of termination:

(a) promptly transfer a proportion of the assets to a person nominated by the Secretary of State, if the Secretary of State considers that all or some of those assets need to be used for any educational purposes by that nominee. The proportion of the assets to be transferred shall be the same as the proportion of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or at a later date; or

(b) if the Secretary of State confirms that a transfer under clause 6.5(a) is not required, promptly repay to the Secretary of State a sum equivalent to the percentage of the value of the assets at the date of termination, or, by agreement with the Secretary of State, at the date of subsequent disposal of those assets. Such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to

Multi Academy Model
Mainstream

the original value of those assets, whether that contribution was made on the establishment of the Academy or later.

7.6 The Secretary of State may waive in whole or in part the repayment due under clause 6.5(b) if:

a) the Company obtains his permission to invest the proceeds of sale for its charitable objects; or

b) the Secretary of State directs all or part of the repayment to be paid to the LA.

7.7 The sale or disposal by other means of publicly funded land held for the purposes of an Academy is now governed by Part 3 of Schedule 1 to the Academies Act 2010.

8 ANNEX

8.1 The Annex to this Agreement forms part of and is incorporated into this Agreement.

9. THE MASTER AGREEMENT

9.1 Except as expressly provided in this Agreement the Master Agreement shall continue in full force and effect.

9.2 In the light of the inclusion of Academies in the Schedules to the Redundancy Payments (Continuity of Employment in Local Government) (Modification) Order 1999, the Secretary of State shall meet such costs and expenses as are incurred by the Company in connection with the redundancy of any relevant employee and which relate to any period of eligible service, being service prior to the opening of an Academy, and the Company will meet the costs of service after the opening of an Academy. The Company shall seek the Secretary of State's consent for these redundancies, such consent not to be unreasonably withheld, before

Multi Academy Model
Mainstream

committing to the redundancies.

9.3 The Secretary of State may meet costs and expenses incurred by the Company in connection with the transfer of employees from any predecessor school under the Transfer of Undertakings (Protection of Employment) Regulations 2006. Payment of grant in respect of such costs is to be agreed between the parties on a case by case basis and the Company shall not budget on the basis that it will receive any grant in respect of such costs unless it is specifically notified that such grant will be paid.

10. GENERAL

10.1 This Agreement shall not be assignable by the Company.

10.2 No delay, neglect or forbearance on the part of the Secretary of State in enforcing (in whole or in part) any provision of this Agreement or in exercising (in whole or in part) any right or remedy conferred on him by this Agreement shall be or be deemed to be a waiver of such provision or right or remedy or a waiver of any other provision or right or remedy or shall in any way prejudice any right or remedy of the Secretary of State under this Agreement or shall amount to an election not to enforce such provision or exercise such right or remedy (including, for the avoidance of doubt, any right to terminate this Agreement). No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

10.3 Termination of this agreement, for any reason, shall not affect the accrued rights, remedies, obligations or liabilities of the parties existing at termination.

10.4 This deed may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.

10.5 This Agreement and any dispute or claim arising out of or in

Multi Academy Model

connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

10.6 The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims).

Annex 1

**REQUIREMENTS FOR THE ADMISSION OF PUPILS TO BRISTOL
METROPOLITAN ACADEMY**

GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.
2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the Directors of the Company.

2A The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children¹) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:

- any personal details about their financial status; or
- whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility

¹ As defined in the School Admissions Code.

for the child in question.

3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.
4. Notwithstanding any provision in this Annex, the Secretary of State may:
 - (a) direct the Company to admit a named pupil to Bristol Metropolitan Academy on application from an LA. This will include complying with a School Attendance Order². Before doing so the Secretary of State will consult the Company;
 - (b) direct the Company to admit a named pupil to Bristol Metropolitan Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes;
 - (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the School Admission Appeals Code.
5. The Company shall ensure that parents and 'relevant children'³ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all

² Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

³ relevant children' means:

- a) in the case of appeals for entry to a sixth form, the child, and;
- b) in any other case, children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school.

parties.

Relevant Area

6. Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

7. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

Requirement to admit pupils

8. Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

9. The Company will:

- a. subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy;
- b. determine admission oversubscription criteria for the Academy that give highest priority to looked after children and previously looked after children, in accordance with the relevant provisions of the School Admissions Code.

Oversubscription criteria, admission number, consultation, determination and objections.

10. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group⁴. The Company will consult on the Academy’s admission arrangements and determine them in line with the requirements within the School Admissions Code.

11. The Office of the School’s Adjudicator (OSA) will consider objections

⁴ ‘Relevant age group’ means ‘normal point of admission to the school, for example, year R, Year7 and Year 12.

to the Academy's admission arrangements⁵. The Company should therefore make it clear, when determining the Academy's admission arrangements, that objections should be submitted to the OSA.

12. A determination of an objection by the OSA will be binding upon the Academy and the Company will make appropriate changes as quickly as possible.
